

Mountain View Trash & Recycling Changes 2023

ALL trash and recycling carts now need to be Town or Summit-branded like the ones pictured here.

If you anticipate regularly using **more than one recycling or trash cart**, let us know and we will get you as many as you need. (Price is the same for you. It costs the Town a little more each month but we're not charging you for this expense at this time.)

If you only occasionally have overflow trash, we can bring you some **Summit-branded trash bags** to use. (These are less expensive for the Town and we're happy to provide them free to you.)

Next, we'll be offering **different size trash carts**, if you'd be interested in using smaller carts instead of the 96-gallon carts. They come in 3 sizes -- 35 gallons, 65 gallons, and 96 gallons. They all have lids and wheels. Let David know if you'd like a smaller one.

Summit wants to help us make sure all the recycling is handled correctly so your recycling doesn't end up in the landfill. For example - no plastic bags please! See our **Recycling Tips flyer** for all the details.

Summit will schedule **large item pick up** when you need this. You can call 303-500-1422 to schedule. (They will bill you directly.)

We will be in touch shortly with more information about the **opt in composting service** the Town will be offering with Summit's help.

Large Item Pick Up and Composting to Come...
