Please state in general terms why you're interested in serving on the Board of Adjustment and Appeals:

Do you have prior employment or volunteer experiences which you believe might be beneficial if you were to be appointed to the Board of Adjustment and Appeals? If so, please describe:

If you were a member of the BOAA, you would be one of five members of a board who must work together to determine the most appropriate course of action after applying applicable standards from provisions of the Town Code. Working with other members on the Board (with guidance from the Town Attorney and staff to help you become familiar with the work and know how to apply the applicable provisions of the Town Code) will require tact and professional interactions with other members of the board. Do you have experiences working on a team with other people? What do you feel were your strengths and weaknesses were in these prior experiences?

Being on the BOAA is a “quasi-judicial” role because the BOAA considers evidence during a public hearing and makes determinations about whether or not property owners will be allowed to have exceptions made to the existing Town Code, as it applies to their property, with regards to building and remodeling their property and some other limited circumstances. Do you feel you could be impartial and fair, in circumstances where the Board’s actions might impact your neighbors in a manner in which they might otherwise disagree, if such a decision is consistent with Town Code? What concerns might you have about this situation, if any?

Please describe any previous educational, life, or work experience you have in the following areas: planning and zoning, land use, land management, construction, development, or dispute management.

A Board appointment requires a commitment to a term of three years and a time commitment which is usually between 8-10 hours per month. Are you willing & able to commit to this?

YES _____ NO _____

Being a member of the Board of Adjustment and Appeals requires attendance at regular monthly meetings. Do you foresee any conflicts which might hamper your participation in these meetings or activities? The Board meets on the first Tuesday of each month at 7:00 p.m. The meetings could take several hours, depending on the nature of the business at hand.

Submitting a resume with this application is strongly encouraged.
